As a courtesy to our customers, we have added a business card directory to our website, [www.flatlandssupply.com](http://www.flatlandssupply.com). The idea is to post contact information for independent contractors and small businesses to assist potential customers searching online for someone to perform a certain type of job associated with the types of products that we sell. The directory is divided into sections by type of service. Essentially, it's like adding your business card to our website.

We can also add a link to your website, if you have one. We would appreciate a reciprocating link to our web site from yours.

**We have the following disclaimer on the business card directory page:** "Flat Lands Supply Inc in no way endorses or recommends any business listed, and is not responsible for the work performed by any business listed. This is merely a spot for our customers, who are independent contractors and small businesses, to place their cyber business card. Any reputable contractor should be glad to provide references. Don't hesitate to ask for, and verify references. We reserve the right to refuse any application or remove any listing at any time." **This, in essence, means that we are glad to help you promote your business, but we are not prepared to take on any responsibility for the workmanship of any listed business.**

Thanks and please feel free to let us know if any of your customers found you through our website. We are also interested in any comments or suggestions you have about our web site.

Please contact us if any information in your listing changes, we want to have current and correct information.

If you agree to the above terms and wish to participate, please fill out this portion of the form, sign, date, and return to us.  
PLEASE PRINT LEGIBLY.

YOU MAY ALSO ATTACH A BUSINESS CARD INSTEAD OF, OR IN ADDITION TO, FILLING OUT THE FORM.  
REGARDLESS, SIGN & DATE AT THE BOTTOM. WE ONLY WILL ADD THE LISTING WITH YOUR WRITTEN CONSENT.
