AGRICULTURAL

FREIGHT CHARGE

Effective May 1, 2008, the freight charge will increase to \$4.00 on all new orders delivered by us.

Multiple orders (even if different job names or PO #s) delivered to ONE address will be allowed for a single charge of \$4.00. Orders delivered to multiple locations will be charged \$4.00 per delivery.

As always, if you would prefer to pick up your order at Flat Lands Supply, you may still phone, fax, or email your order and we will be happy to have it ready for you.

We greatly value your business and hope that you understand the necessity for this added charge. We are attempting to make it as minimal as possible for our customers.

Sincerely,

Jerry Koenig, President
Flat Lands Supply, Inc.
